Scheme for Tax Relief for Donations to Eligible Charities

If you are a **PAYE taxpayer*** and if you contribute more than **€250** in a calendar year to the parish, the parish can claim a **tax refund** from the Revenue Commissioners on foot of your donation. This does not cost the contributor anything.

Example: If you pay **PAYE** at the **standard** rate, and if you contributed €250 or more to the parish in 2008, the parish can claim an additional **€62.50** in a tax refund. If you pay **PAYE** tax at the **higher** rate, the parish can claim an additional **€181** on your contribution.

Last year the **parish received €11,298.68** from the revenue commissioners through this scheme.

This relevant information has been sent to all parishioners who qualify for tax relief. We greatly appreciate your support in this matter.

As a **PAYE Taxpayer**, if part of your income is **self-assessed** the parish **cannot** claim tax relief on your behalf.
